THE GREAT REMEDY.—The most certain and pleasant cure for secret diseases is Dr. CULLEN'S Indian vegetable remedy. It is a domestic preparation, entirely free from copaiva, mercury, or any other materials, combining in itself all the requisite qualities to effect a radical cure in a few days, (this is warranted,) if used according to the directions. It acts first by purging off all irritating matters in the system which aggravate the disease, and at the same time upon the secretions, through the medium of the blood, by which all vestiges of the disease are removed. Certificates of physicians and others, testifying to its good effects, may be seen by calling upon the agents. Wholesale and retail by J. T. ROWAND, 376, Market street, Philadelphia.
